2) The period of extension granted to the party expired on 30-6-47 During the period of extension of service, the party applied for the grant of two months privilege leave from 6-2-47 While submitting the leave application for sanction, the Health Officer, as the recommending authority did not recommend the grant of leave on the ground that the work would suffer and that no suitable substitute could be found On this recommendation, the President has not passed any orders in writing as to the refusal of leave as could be seen from the leave application of the party - Flagged No other records are available to evidence the fact of the refusal of leave by the President at the time when the leave was applied for by the party Article 147(b)

Subject — Posting of a Veterinary Inspector to Mysore City Municipality

Ref A'

Adverting to Government Order No L 5647-9/M L 11-46-51 dated - Novr 1946 sanctioning an extension of 6 months service to Mr Mannas, Veterinary Inspector City Municipality Mysore with effect from 6-10-1946, I have the honour to state that a qualified veterinarian of this department will be posted to the Mysore Municipality to relieve Mr Mannas on 6-4-1947

In this connection, I have to bring to your kind notice that Mr Mannas has been designated as a Veterinary Inspector - vide letter No M 5-C 268-44/45-46 dated 5-10-46 addressed to you by the President, City Municipal Council, Mysore, which necessarily implies that he is a regularly qualified man licensed to practise as a -- Veterinary Inspector, whereas it is reliably learnt that Mr Mannas does not possess any such qualifications, as he does not hold either a degree or Diploma from any of the Veterinary Colleges

In this connection I invite kind reference to your memo No L 5686 dated 9-11-46 stating inter alia, that all the Municipalities should insist on the examination of Sheep and Goats before and after slaughter and for this purpose the services of the local Veterinary Inspector should be enlisted and continuance of unqualified persons for examination of animals meant for slaughter and certifying them as fit for human consumption specially in a premier Municipality like Mysore cannot therefore be advocated

P t o

As Mr Kannas is apparently an unqualified man, it is misleading to designate him as Veterinary Inspector in the above circumstances I suggest that the above designation may be caused to be expunged in official records against his name and it seems more appropriate to call him as Slaughter House Inspector

I request you to be so good as to obtain early orders of Government in the matter

Subject -Extension of service of Mr E P Mannas, Veterinary Inspector

---

Adverting to Government order No L 5647-9/ml 11-46-51 dated 7-11-1946 sanctioning the extension of service by six months from 6-10-1946 to the above official, I have the honour to state that the Health Officer reports that the services of Mr E P Mannas are very necessary at the present juncture when the construction of the new Slaughter House is to be taken up in view of his ripe experience of the work, which would be of great value in the details of constructing the Slaughter House, as a practical knowledge as to the particulars of structure is very essential etc As the construction of the building has to be commenced, the consideration of his application for leave for 2 months has also been deferred

The Health committee before whom the subject came up for consideration resolved that the further extension be granted upto the end of June 1947 The Council have also duly approved of the above resolution of the Health committee at their meeting held on 13-3-47

In enclosing the copies of the resolutions of the Health committee and the council I request you kindly to obtain sanction of Government to the further extension of the services of Mr E P Mannas upto the end of June 1947

GOVERNMENT OF MYSORE

I have the horour to state that Mr E P Mannas, Veterniary Inspector of this Municipality was granted an extension of service by 6 months from 6-4-45 in G O No L 9951-2 dated 5-4-45 and another extension by one year from 6th October 1945 in G O No L 4424-6 Ml 11-45-71 dated 26-11-45 This was extended by another 6 months and further extended up to the end of June 1947 in G O No L 12911-3 Ml 11-46-135 dated 25-3-47 He applied for two months privilege - leave from 6-4-47 preparatory to his retirement, so long back as - 5-2-47 The leave was not granted in the interest of work as there was no body else to look after the work The Superintendent, of Live Stock sent a substitute to relieve him and Mr Mannas was relieved on the afternoon of 30-6-47 He prays that he may be permitted to utilise the privilege leave for 2 months from 1-7-47 for which he had applied in due time and which was not permitted to be utilised by him in the interest of work His request is therefore reasonable

The period of his extension of service expired on 30-6-47 and the grant of leave now amounts to an extension of service by two months

I therefore request that two months privilege leave which was earned by Mr Mannas during his extension of service and which was not granted to him within the extension period in the interest of service, may kindly be granted from 1-7-47, the period being ~~xxx~~

be treated as a [illegible] of service [illegible] retirement from 1-9-47 under Article 147 (1) (a) (1) Clause 11 (C1), of the Wyoming Service Regulations.

L & G BRANCH

1. Mr Mannas was due to retire in 1944-45 having put in 30 years of unblemished service in the Mysore City Municipality and at the time he had [illegible] months privilege leave to his credit

2 In 1944 he applied for the 9 months leave due to him preparatory to retirement, but just at that time the Sheep slaughter house was suddenly shifted to a distant place and the Butchers became greatly agitated and violent

In view of the influence Mr Mannas had over the Butchers and the authorities did not want any untoward happening as it was Dasara time, the then President and the then Health Officer pleaded with Mr Mannas to withdraw his leave application and to continue to be in charge and bring round the Butchers He was induced to do this with a definite promise that his services would be continued for a year or two longer

In view of the promises held out to him and believing in the same, he responded to the request made to him and withdrew his leave application and thus forfeited the 9 months leave with full pay which he had so well earned

3 Mr Mannas was not given the 2 years extension promised him His services were extended by only 6 months in the 1st instance and he was under difficulties given 3 further extensions 1 of 6 months and 2 of 3 months The latter short periods of extensions were given just to gain time as the authorities had some difficulty in securing another Veterinary Inspector

6 Mr Mannas was finally due to retire on end of June 47 and since he had earned two months privilege leave, he applied for the same to be given to him from May 47 preparatory to his final retirement end of June 47

7 As will be seen from the concerned file, the Health Officer refused to grant Mr Mannas the leave as he needed his services,

and he could not spare him Mr Mannas was ordered to continue till end of June 47 and that the leave due to him and which he had applied for, would be given to him after his retirement

8 Mr Mannas was relieved on 30th June 47 and he immediately applied for the two months privilege leave due to him, with full pay This application was very strongly recommended by the Health Officer as being well earned and well-merited and the services rendered by Mr Mannas was appreciated

9 The President forwarded the application to Government for favour of sanction From there the application through the financial Branch was sent to the Govt Auditor of Mysore City Municipality for scrutiny and return

10 The local Auditor has returned the application with an adverse report on account of a technical fault The fault in question being that the President had only initialled the recommendation of the Health Officer and he himself had failed to make the necessary remarks of recommendation

11 The very fact that the President had initialled the recommendation of the Health Officer and sent it to Government, is an approval though he may not have put up a separate note If he did not approve of the leave being given, he would surely have remarked to that effect in forwarding the application to Government

12 Whatever it is, it is a small technical fault and surely a poor subordinate should not be penalised for a mistake made by the Office In view of the good services rendered by Mr Mannas and the circumstances of his case, an earnest appeal is made that he (even as a special case) be given the benefit of the two months privilege leave with full pay due to him.

13 Since it is already over two months since Mr Mannas retired I earnestly solicit your sympathy and pray that you will be graciously pleased to order -

1 That Mr Mannas be paid two months salary in full from 1st July 47 in lieu of the two months privilege leave that was due to him

2 That the date of his retirement commence from 1st July 47

For which act of kindness and justice, I will be very thankful

Grant of leave for two months with effect from 1-7-1947 to Mr. E P Thomas, retired Veterinary Inspector Mysore City Municipality

Sir,

With reference to the Correspondence ending with letter No MS 268/HS-42 dated 30-6-1947 on the above subject, I am directed to state that the period of extension granted to Mr. E P Thomas expired on 30-6-47 ~~disclosed from the~~ records disclose that during the period of extension of service, the party applied for the grant of privilege leave for two months with effect from 6-2-1947, that the Health officer as the recommending authority did

Recommend the grant of leave on the ground that the work would suffer and that no suitable substitute could be found On this recommendation, the president has not passed any orders in writing as to the refusal of leave, as could be seen from the leave application of the party Article 147(b) MSR requires that the refusal of the leave by the sanctioning authority should be obtained in writing

Government consider that the--- never a mere reporting by the president in his subsequent letter dated 13-3-1947 that the question of the consideration of his application for the grant of two months leave was deferred, is not sufficient to warrant the grant of the leave after retirement, as the refusal of the leave is not supported by a previous record

I am therefore to request you

to forward, records, if any to evidence the fact of the refusal of leave by the President at the time when the leave was applied for by the Party. If that is not forthcoming, the request for the grant of two months' furlough leave to be issued from the date of the retirement would not be admissible.
